A letter from the author

Ernest D. Chu

Dear Friend on the Path,

When I was one million dollars in debt, I found something that made all the difference for me. It helped me change my perception of where I was, it put power in my intention, and not surprisingly the flow in my life began as I discovered the power of my new tool.

Even as things seemed to change on a dime, I could tell the difference when I used this tool.

It helped me to become more deeply aware of the creative power of Spirit, to find creative harmony and peace within, and to give me clarity to make choices and find purpose.

This discovery, this gift, has never failed me. As one of my ways of giving back, I am now giving it to you.

I invite you to use Seven Days to Prosperity & Peace to change your life. Plan now to spend five minutes upon awakening and five minutes before going to sleep each day with these ideas. They worked for me, and they will work for you!

With love and light,
Ernie

I Am The Source of Eternal Flow

Knowing that there is One Eternal Source of All
Love and Divine Supply, I know that my Life
Is that One Life and that All Supply and Abundance
Is now Mine to the extent I allow it in my Life.
I am open to the Unlimited possibilities of Love
Flowing as money and prosperity,
Of creativity manifesting as successful
And profitable projects and satisfying work.
No longer do I allow doubt and unworthiness
To be a part of me, for I now know the Truth
That I am Spirit manifest – and that I am capable
Of co-creating and directing a Life full of Love
And a Life flowing with joyfulness and surplus.
I am abundantly self-sufficient in all my needs
And I live from the higher Truth of being
In the work I do, and my loving interactions
With all whose lives I touch.
Giving thanks, for it is gratitude that connects
And reminds us of our God nature,
And knowing that my words have power,
And are already working in my life,
I release this into the Universal Presence.
And so it is.

I Create My Life From a Higher Purpose

I acknowledge and celebrate the Infinite Power
That is All Loving, and All Present.
Expressing Itself Through Me and Supporting
Me in Creating from Love,
Joy, Prosperity, Growth and Clarity of Thought.
I create my Life as the higher purpose of Spirit,
Knowing that as Spirit, I live and create from Love.
My thoughts are loving, and they flow into
A celebration of Life by creating what I am passionate about,
Activities with a higher purpose that remind me
That I am an eternal being that is timeless,
And that I am whole, perfect and complete.
I know these are financially wholesome and
Support my every need and desire
By allowing me to invest In my further growth
And expansion of what I stand for.
I live my Life ever mindful of the indwelling Spirit
Of God within – loving and supporting all that I wish to become.
I affirm that my Life's Work is always done from
A higher purpose assuring that financial prosperity,
Satisfaction and greater opportunities always flow my way.
I give great thanks for I know gratitude is Love.
And know my Words have already started to work
In my Life – I declare them to be so.
And so it is.

I Let Divine Presence Support Me

I celebrate and acknowledge the One Infinite Presence,
Which is All Loving and Present in every part of my life,
I know this as my Source of All Good and Support,
For Divine Love fills my life with richness, abundance
Creativity, joy and a loving zest for creative enterprise,
For I know that it is through the gift of Love manifesting
As Creativity in my life, I joyfully express myself as a
Wondrous aspect of God, through the opportunities
I create, and the enterprises which come into form
Through my relationship with the Infinite Presence.
I create a prosperous, creative and joyous life expressing
As ventures, companies, ideas to be developed, and
Other businesses, fully knowing that I create these
As part of my wholeness with Spirit and my personal
Expression of Universal God Mind in action.
I give great thanks knowing gratitude also as Love.
And release this to become a part of my experience,
And God's support and Love.
And I let it be so.

I Am Spiritually Empowered & Abundant

I celebrate and recognize the One Infinite Power

That is the Pure Spirit of Love,

All Knowing and All Loving.

I open myself to allow God to flow through me

Expressing as me,

As being abundantly self-sufficient,

Joyfully fulfilled, creatively empowered,

Prosperous without limits in every way.

Replacing fear with faith, and uncertainty

with knowing,

I create a life of magnificence

More vibrant than I have ever envisioned it.

For I have everything within me.

To dare to dream as I have never done before,

To walk hand-in-hand with Spirit within.

I know that I am One with Spirit

In every part of my Life.

For this, I am ever grateful.

And I release this to the Law of Mind,

Knowing that it is already working in my Life

And so it is.

Everything in My Life Flows Easily

I celebrate the One Infinite Presence – God,

Knowing that it is an unlimited Source

Of All Abundance and Good.

Through this indwelling and All Loving Presence within me,

Expressing as me, expressing as Love,

I create prosperity, flow, opportunity and life.

My Life is filled with Love manifesting as Abundance

As I see and believe that Love supports my highest Good

Drawing to me opportunity, filling my life with

An ever -increasing flow of creative energy, inspiration,

And a surplus of financial health and funds.

I live vibrantly and joyfully

For I now know that the world around me

Supports and Loves me.

Everything in my Life flows easily.

I embrace my Good with gratitude,

Knowing it has become the direction of my Life

And I release it joyfully and with love.

And so it is.

I Let Creative Thought Open Opportunities and Flow in My Life

I celebrate God as my Universal Source of Good,
Knowing that It is also an Infinite Source of Love.
In opening myself to receive love, I open myself
To receive all that I can conceive of,
Flowing to me easily and creatively
Allowing me to in tune with my higher vision
Of my life and every activity which expresses
God within me.
As I am an expression of God,
I now draw upon Divine Love as creativity
Feeling free to imagine and create,
Being inspired to let my thoughts go
Beyond limitation and old ways of thinking.
I let go of fear and know that as God's expression
I am most valuable, and therefore I create
Great value – God value expressed through me.
I now celebrate and acknowledge the gift I am
For Universal God-Mind works through me,
Drawing opportunity to me, allowing my highest
Thoughts to have life in the material world.
God indeed works through me; creates through me;
And expresses love in its many forms through me.
I am grateful for knowing who I am,
And for expressing Love as my Life.
I release this knowing that it is Already
Working in my Life.
And so it is.

A Prayer for Peace

As we join our hearts in consciousness
To celebrate the Infinite Spirit of Life - God
Of love, compassion, kindness and divine right action,
Know with me that harmony and peace of Spirit
Is within each of us right here and right now
As we open our hearts to embrace the Oneness
Of Spirit expressing through each person on this planet.
In doing this, we embrace the diversity of Spirit,
The wondrous creation of all Life celebrating God.
We remember that we are created out of God Itself
And that each of us is given to each other
Connected by the One Heart that expresses Life.
No longer do we believe in the fallacy that violence creates peace
And that diversity and differences are to be feared.
As Spirit knowing Itself through us, we allow
Each creation of God to express itself as part of
Our collective journey of love and Spirit realization.
As we remember that all is within God,
We choose to honor our God nature by embracing
Love, harmony, and deep abiding respect
For all faiths and beliefs, and all of life.
Become the change we choose our world to be
By first creating peace in our hearts,
With the fire of love in our souls.
Become what it is that we yearn for
By knowing Love is the Truth of our Being
Through love, kindness and affirming our Oneness
With each other — we choose this as our World.
And for this I give great thanks and
I release this as already complete in Spirit.
And so it is.
